VIBECON-2025 SCIENTIFIC EVENTS

➢ The scientific sessions of VIBECON 2025- NATIONAL CONFERENCE provide an excellent opportunity for students, academicians, and clinicians to showcase their research innovations, clinical observations, and case studies.

➢ Paper and poster presentations encourage knowledge sharing, critical thinking, and academic collaboration.

➢ Participants will get a chance to showcase their oratory and presentation skills in topics and research related to physiotherapy. We invite enthusiastic participation to enrich the scientific discussions and contribute towards evidence-based practice.

➢ **Participants can enroll themselves in any of the following categories. Participants will receive the access link for Scientific events via Email upon successful registration for Conference.**
